

Back Front Pages

Huh? How could we have all these front pages if this is our first issue? Well, actually, it's not: for almost two years, our webzine at www.1099.com has been garnering awards, rave press reviews, and occasional outraged letters. If we've gotten you hooked, and you're yearning for a bigger fix of 1099, check out some of the URLs below.

Wisdom, madness, and strange tales for the boss-free few who make their own way in life. Corpora

tions are for the masses, but to you they're clients, not employers; roads, not destinations. If you're wrestling with a solo-business issue, don't reinvent the wheel. Before you experime
ni, check 1099.com first to see if we've covered it. If we haven't, tell us! Write to letters@1099.com
